Introduction

Introduction

In Part 1: ([Index page: Sage X3 Technical Support Tips and Tricks \(March 2022\)](#)) we discussed the following topics:

- Types of performance problem
- Causes of performance issues
- How to approach a performance issue

These topics are the essential starting considerations for any performance issue, but where can you go for more detailed information?

This presentation will introduce you to the blog series: **Performance tuning Sage X3**
