

Sage Pastel Partner Payroll

History of Changes 2021 Update 1d

Below are the details of the changes made to our latest software release.

Enhancements

- PPP-7589 – Transaction 5027 has been selected to affect UIF and ETI as per SARS's latest recommendation.

Defects

- PPP-7588 – Payroll will now round the ETI qualifying hours to two decimals in order to eliminate discrepancies.

International

- PPP-7581 – Zimbabwe – The contribution rate for NSSA has been updated.
- PPP-7583 – Botswana – Amendments have been made to the ITW7 report to address recent changes and shortfalls.
- PPP-7584 – Swaziland – Amendments have been made to the ENPF (previously SNPF) report to address new requirements.
