

Sage Pastel Partner Payroll

History of Changes 2023 Update 1a

Below are the details of the changes made to our latest software release.

Legislative

- PPP-8083 – The calculation for ETI remuneration has been amended to deduct non-cash payments and deductions not required or permitted by law (Section 34(1)(b) deductions). Users can now select calculation total 46 – Exclude from ETI Remuneration on the necessary deductions and custom benefit transactions.
- PPP-8095 – The Travel Allowance and reimbursive rates have been updated.

Enhancements

- PPP-8089 – The ETI Adjustment and Take-on screens have been modified to correctly limit the ETI value entered.
- PPP-8090 – Following the latest changes, companies using ETI will receive a new message that informs them of the deductions and custom benefit transactions they can select to deduct from the ETI remuneration.
- PPP-8094 – The URL to the download manager has been amended to https.

Councils

- PPP-8085 – MIBCO – The Moto Health Care rates have been amended.
- PPP-8086 – MIBCO - MISA Union rates have been revised, and users can now select the membership option that their employees have selected.

International

- PPP-7911 – Malawi – The tax year has been amended to be April – March.
- PPP-8091 – Lesotho – New tax files are available.
