Announcement

Sage Estimating - eTakeoff - Bridge

We are pleased to announce eTakeoff – Bridge training for Sage Estimating. This course provides you with information on how to integrate and use this tool with Sage Estimating and eTakeoff Dimension or one of the integrated BIM systems (AutoDesk Navisworks or Assemble Systems).

It is available now and published on Sage University. Check it out on Sage University:

[ESSQ – eTakeoff – Bridge](#)

Feel free to share it with anyone who could benefit from it!

Special Thanks!

For developing and supporting the creation of this project, here are some of the colleagues who contributed!

Anita Gutierrez (Curriculum Developer), **Curtis Peltz** (eTakeoff CEO), **Sage University team**, **Josh Gwalchmai** (Learning Program Owner)
