What's next for Sage Memberships

What is Sage Membership?

Sage Membership is here to help you and your business grow because we know that running a small or medium sized business is tough and customers **want more help** with the challenges they face.

That's why we created Sage Membership. To go **beyond software solutions** and provide customers with the **expert advice and support** they need to thrive.

We are still at the start of a journey with Sage Membership but we have big ambitions to deliver more value to customers and do so in a personalised way that makes it simple and easy.

Great software solutions

More help getting the most from your solutions

More help with the business challenges you face

Personalised to you making it simple and easy to access

What is Sage Membership?

All our customers and partners automatically get access to Sage Membership and can tap into exclusive content, insights and experiences that address the key challenges facing business today.

Member Masterclass

Tap into talks and articles from the world's leading experts

Learning

Access free learning resources and certifications

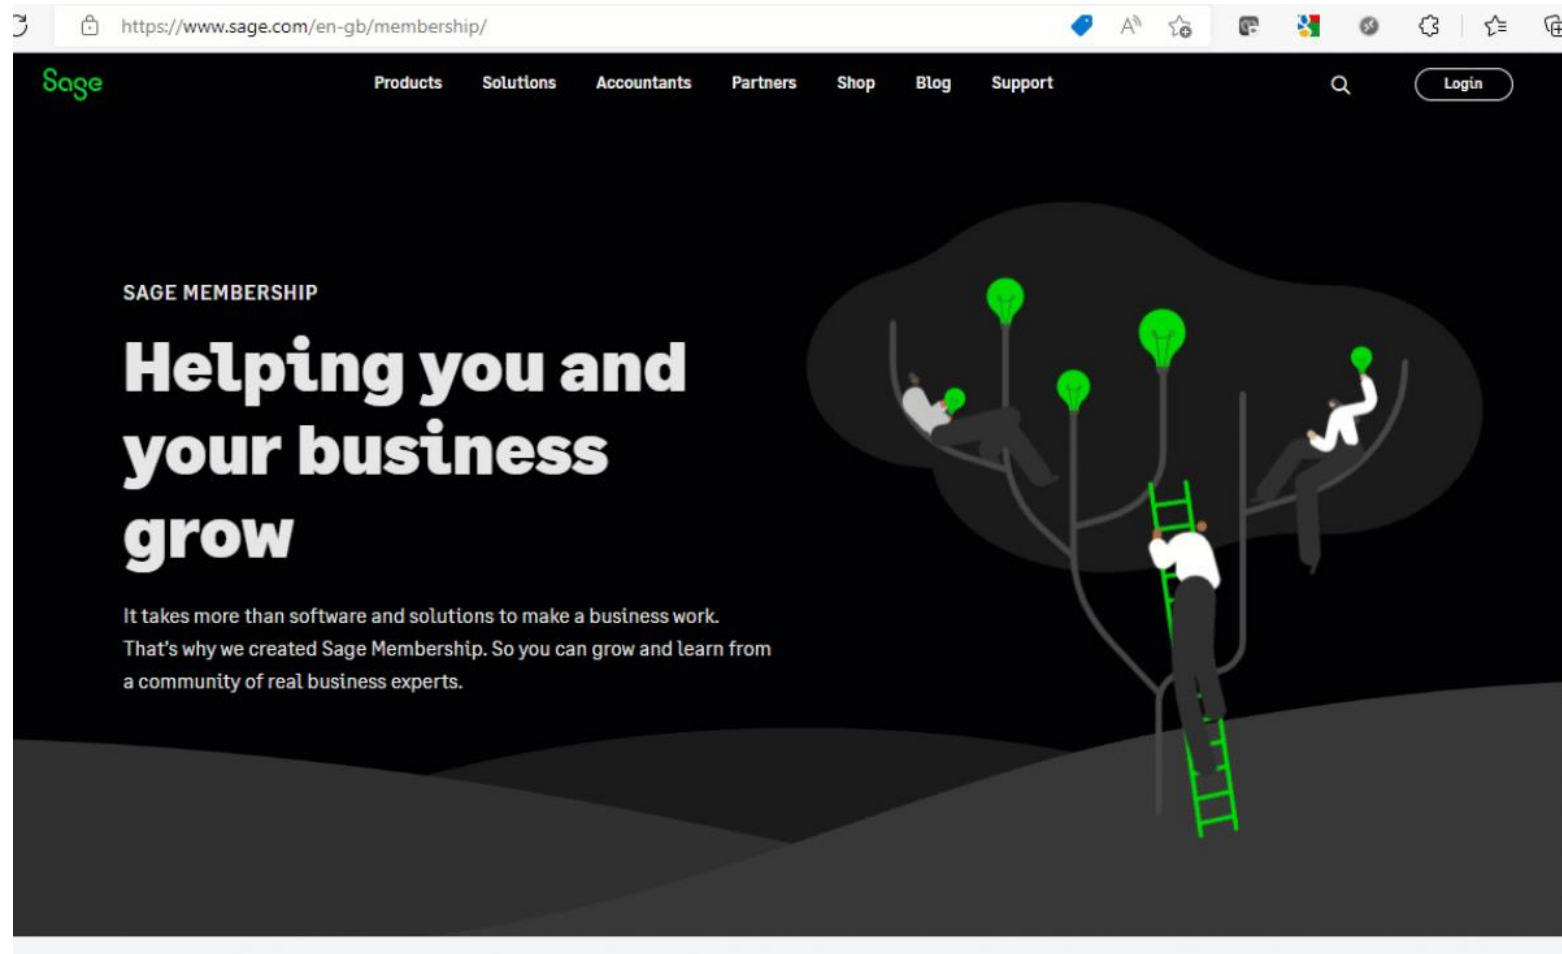

Community

Get product help from a community of industry peers

How to access your membership.

- Gain 24/7 access to your sage Membership online.
- From the Sage Membership homepage, you can access Member Masterclass and link to both our Sage City and Sage University pages.

Member Masterclass

Season 1: Finding and keeping great people

Built exclusively for Sage members and available to everyone for a limited time only.

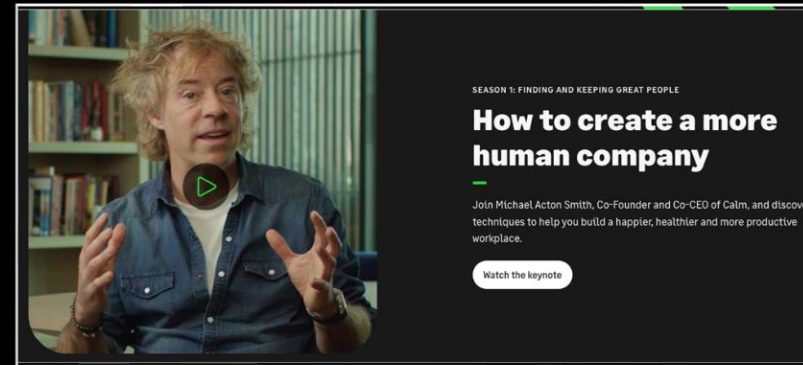

Your greatest asset is your people. So, how do you find and keep the best?

Whether you're a one-person business or already lead a team, a great hire is game-changing.

In the very first season of Member Masterclass, you'll discover:

- How to create a world-class onboarding experience.
- How to develop and nurture your talent.
- How to retain the talent you have.

Visit sage.com/uk/masterclass now and learn from visionary leaders on how to hire and retain top talent.

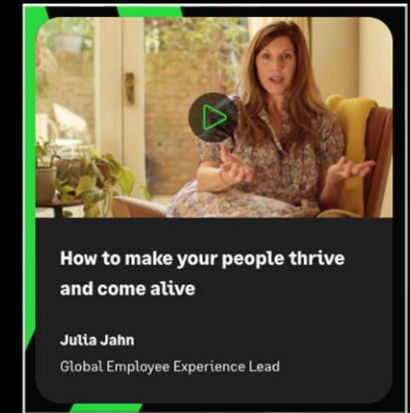

SEASON 1: FINDING AND KEEPING GREAT PEOPLE

How to create a more human company

Join Michael Acton Smith, Co-Founder and Co-CEO of Calm, and discover techniques to help you build a happier, healthier and more productive workplace.
