Sage Construction Management: Partner Certification

We are excited to announce the launch of **Module 1 – Projects and Prime Contracts** of our Partner Certification program, **Sage Construction Management – Implementation Consultant**.

This inaugural Module is the initial step in a series of four, concentrating on fundamental skills such as **navigation, contact management, projects,** and **prime contracts** setup. Each Lesson contains construction industry concepts and terms, activities, review documentation and a knowledge check.

Registration is now open for Partners and Consultants to enroll in the first course and earn a Badge.

For more information and to register for the first course, [Click Here](#) to explore our new **Sage Construction Management** Partner page on Sage University.

Feel free to share this information with anyone who could benefit from viewing these courses!

Thank You!
