Sage 50

Canadian Edition - Student Version

My Sage 50 student version has expired.

The following steps will correct the error:

Step 1: Uninstall the student version.

Step 2: Run the following student cleanup tool (Critical Step):

https://ca-kb.sage.com/portal/app/portlets/results/viewsolution.jsp?solutionid=230815184019297

Step 3: Reinstall your student version.
