

Sage 50

Canadian Edition - Student Version

I've installed the trial version, and now I cannot register for the educational version.

The following steps will correct the error:

Step 1: Uninstall the student version.

Step 2: Run the following student cleanup tool (Critical Step):

<https://ca-kb.sage.com/portal/app/portlets/results/viewsolution.jsp?solutionid=230815184019297>

Step 3: Reinstall your student version.
