How to register the educational version

For Students

Student instructions on how to register for your educational Sage Accounting software (aka Sage Business Cloud Accounting).

1. Go to:
 - Canada - <https://www.sage.com/en-ca/about-us/education/>
 - US - <https://www.sage.com/en-us/about-us/education/>
2. Under **Available Sage software**, **Sage Accounting**, select **Register for student version**.

The screenshot shows the Sage Education Program for students website. The main heading is "Sage Education Program for students". Below this, there are two buttons: "Register" and "Download software". The "Available Sage software" section is titled "Select the software for your course curriculum". There are three software options listed: Sage Accounting, Sage 50 Accounting, and Sage 300. The Sage Accounting option is highlighted with a red box, and its "Register for student version" button is also highlighted with a red box.

3. Complete all required details on the Registration Form and select **Submit**:

Register for student activation codes
