Sage 50 Accounting

Canadian Edition - Student Version

I need technical help.

IMPORTANT: Technical support is not included with any Sage educational versions.

However, we have compiled a list of FAQs and online resources to help you through your educational journey with Sage. Visit: https://www.sagecity.com/support_communities/sage_students/w/sage-student-instructor-resources

Select the Sage software educational version you are using listed on the left column for online assistance.

TIP: Searching the Sage Knowledgebase is a great place to start
